150 YEARS of the BLUE MOUNTAINS LINE  
Anniversary Commemorations  
Friday 21st July  
2017  
Arriving 12.17pm

Wentworth Falls is one of the most beautiful towns in the Blue Mountains. The town features the magnificent waterfall for which it is named and possibly the most spectacular bushwalks and views in the Blue Mountains.

This small, pretty village captures the best of the relaxed and friendly mountains lifestyle, offering wonderful cafes and restaurants, specialty shops and galleries all surrounded by breathtaking natural beauty.

The spectacular bushland in and around Wentworth Falls has attracted visitors to the village for over 100 years. There are extensive well-maintained bushland paths and tracks suitable for walking, running and cycling, and plenty of opportunities for visitors interested in climbing, abseiling, hiking and mountain biking.

The picturesque Wentworth Falls Lake is an ideal family picnic and BBQ area, with superb and safe children's play equipment. Other excellent picnic areas can be found at Valley of the Waters and at Wentworth Falls picnic area.
